

What ingredients are in Little Ondine nail polish?

The formula for each color varies depending on shade, opacity and finish.

Secret (LT), Silence (LS) Top and basecoat

Aqua (water)

Polyurethane-35 (resin)

Acrylic/VP Crosspolymer (resin)

Glycerine

Laureth-21

Each of our extensive range of colors use Secret and Silence as a base and adds pigments or glitter particles to achieve different looks. We source pigments and particles from sustainable sources as part of our commitment to maintaining high ethical standards in our area of the beauty industry.
